## Family Traditions

Do your family members beg you to make “your” kugel?

Do neighbors cheer when you make them cookies?

Do you have a terrific recipe that you’d like to share and spread the joy?

Now’s your chance.

The Kol Emeth Sisterhood wants to begin **Family Traditions** cooking demonstrations, but we need recipes and celebrity chefs.

If you have a delicious Kosher recipe that can be created in our kitchen, and you’re willing to share it with an enthusiastic audience, please contact Jennifer Blitz at [jblitz@dunnweb.us](mailto:jblitz@dunnweb.us) or leave a message in the Shul office at 847-673-3370.

Help us fill the Shul with comforting smells of foods from your family.
