Please join us for our 2017 Men's Club Kick Off Brunch! We will start the new year with some bagels, coffee, and guest speaker Brian M. Gawin. Mr. Gawin is an accomplished banking and finance professional. In his current role as Market Manager for the Private Bank, Mr. Gawin is responsible for the overall growth and development of retail branches located in the Northern suburbs.

This is your chance to kick off the year right financially and meet some new friends at the synagogue as well! Everyone is welcome, men and women! Please RSVP to let us know you will be coming so we can have the right amount of food and drink!

Larry Rabyne, Kol Emeth Men's Club President
